"Seasons greetings to all residents from all the Executive Committee"

Geoff Yates, Chairman, Executive Committee

Christmas is a time of the year when we focus on our children. This might be a timely occasion to remind all residents of the need to drive carefully within the complex as at this time of the year we have more youngsters than usual staying with us. Keep to the speed limit and exercise caution at all times please.

We also ask that everyone using the pool closely supervise young children in their care. Please avoid taking glass into the pool area.

We are working to inspect all gutters within the complex and to clean those that need it. This process will take some time to be completed and we thank you for your patience.

We are also experiencing some delays with fixing leaks and once again we thank you for your patience if you are one of the residents still waiting for repairs to be completed.

The Executive Committee has approached a painting firm with the aim of holding detailed discussions on the painting project. We will keep you fully informed of any developments.

Gardener

Our Gardener Brett is a very busy man. He operates to a tight schedule and has a fixed program of work. If you have any special requests regarding the gardens and grounds please bring them to the attention of the Executive Committee rather than discussing them with Brett yourself. You will appreciate that with a community of our size that if every resident were to discuss gardens and grounds issues with Brett he could end up being very confused and distracted from his proper duties. Thank you for your cooperation in this matter.

Elite

Elite send their Christmas Greetings and apologise to any residents who have been experiencing communication problems recently. Following a power outage Elite has had problems with email, phone and fax. This should be a temporary problem only and rectified in the very near future.

Christmas Gathering

All residents are invited to a gathering at the 'village green' (adjacent to the gates) in Stage One on December 19th at 5.00. Please bring your own everything (nibbles, drinks, chairs, Christmas spirit).

Executive Committee Minutes

The Minutes of the meeting held on December 8th have been published. The next meeting will be held on Tuesday 2nd February.
