**We have just been advised that Geoff Yates has resigned from the Executive on health grounds. In his email announcing the news Geoff wrote, "...it is with a heavy heart that I wrote today and resigned from the ...Committee. On advice from my Doctor I have decided to step down."**

**This was what Geoff had written for this edition before he knew that he was going to resign.**

## **THE EXECUTIVE COMMITTEE**

### **Who's who**

The Chairman of the Executive Committee is Geoff Yates. Geoff is a retired consulting engineer. He and wife Adrienne have lived in the Brunswick since early 2008. Geoff has served on previous executive committees. He is also a founder member and President of Terrigal Community Men's Shed.

It is with sadness that the Committee notes Geoff's resignation. Geoff has been a tireless worker for The Brunswick and his gentle but firm style will be missed. Geoff always made it clear that the role of Chairman did not place him above others and saw his role as that of a facilitator rather than presidential style leader. We send him and Adrienne our best wishes.

Eddie Blackwell is the Treasurer. His wife Kathryn is a former committee member. Eddie is a building project manager. He enjoys walking to Terrigal and spending time with his wife, children and grandchildren. They are committed to spending time in the community to assist others.

Richard Lornie is the EC Secretary. He served as Secretary for the previous committee for six months. He has lived in the Brunswick for two years with his wife Lindy. He is semi retired and works as an educational consultant.

Wayne Brown and wife Margaret have lived in the complex for almost three years, both retired, Wayne from a trade background in building and later with the NSW Vocational Training Unit. Has been a member of the Executive Committee for three years.

Jan Hunt and her husband Steve have enjoyed living at The Brunswick for over 2 years. Jan has worked in business, education and prior to retirement, was employed as a property manager. Her interests include sailing, gardening and yoga.

Billie and Trish Coote are long term residents of The Brunswick. A retired painter, Billie is the committee member with special responsibility for the Pool Area.

Robert and Carolyn Hornby moved into The Brunswick in September 2014, relocating from near Forster. They love the location being able to walk to Terrigal for coffee. Robert is a retired mechanical engineer but still loves messing about with things mechanical. The Hornbys are cruise junkies and are looking forward to a Performing Arts cruise later this year.
